**California Dairies, Inc. is recruiting for a
PLANT SUPERVISOR TRAINEES.**

California Dairies, Inc. is the largest milk manufacturing cooperative in California, and the second largest in the United States. Our 650 member dairies produce approximately 48 million pounds of milk per day. We have six manufacturing plants, located in Artesia, Tipton, Visalia, Fresno, Los Banos and Turlock, CA with a total workforce of 100 staff and 600 hourly employees.

The successful candidate(s) will earn \$48,000 - \$50,000 per year while they train to supervise approximately thirty employees per shift in the operation of a large nonfat dry milk, butter and processed fluids product milk plant. Duties will include production and labor scheduling, administration of union contract (where applicable) and company policies, ensuring employee safety, and maintaining product quality, yields and costs. Hours and days off are rotating in our twenty-four hour, seven day per week operation. Prefer dairy manufacturing knowledge, a degree in Dairy Science, Dairy Manufacturing, or Food Science, basic computer skills, and excellent verbal and written communication skills. This position reports to the Assistant Plant Manager.

The Supervisor trainee program will be tailored to the skills and experience of the successful candidate, with an anticipated 6-month training program prior to taking over full shift supervisory responsibilities.

Our liberal benefits package includes but is not limited to medical, dental, vision and life insurance, a 401(k) with a 7% employer contribution and immediate vesting.
