

# Harvey Ranch Winter Internship

Harvey Ranch is looking for an intern for Winter Term 2009.

The internship will start between Jan. 1, 2009 and Jan. 15, 2009. It will last through the end of Winter term 2009.

Responsibilities will include helping feed 420 cows and 75 yearlings, calving heifers, tagging calves as they are born, sorting pairs from cows that haven't yet calved, some maintenance of equipment and buildings, and doctoring sick calves. Hours will range from 6 to 14 hours per day. Most weeks the intern will get one day off depending on how things are going at the time. The student must be willing to check heifers at night.

Housing will be provided in a two bedroom, one bathroom house with oil heat. All electric and heating bills will be paid by the ranch. The house has some furniture and dishes along with refrigerator, cook stove, microwave, and a washer and dryer.

There is no experience required. Most of all the person has to be willing to commit to doing this for the entire time and be willing to put in long hours when required. Every effort will be made to make the experience as enjoyable and educational as possible for the student, but some things just have to be done no matter how much they are disliked. **Pay will be \$1000/month.** Students are responsible for getting credit for the internship if they are interested. Contact Dr. Kelvin Koong, OSU Animal Sciences for details about receiving internship credit.

The Harvey Ranch is located near Paisley, Oregon, close to Summer Lake in beautiful South Central Oregon.

Applicants must have a major in the College of Agricultural Sciences. **Interviews for the position will be held October 31** with Kent Clark, Harvey Ranch Manager and OSU graduate. Please contact Kent if you have questions about the internship. His email address is [kentlana@yahoo.com](mailto:kentlana@yahoo.com) and phone is (541)943-3229 or (541)219-1132.

Please submit a resume to Kent Clark via email at [kentlana@yahoo.com](mailto:kentlana@yahoo.com) no later than October 28, 2008.
